Principal's Message

To the Class of 1940:

The purpose of the modern school today is the furnishing of a well-rounded education. It has been said that such an education should provide training in the fundamental processes such as reading, writing, arithmetic, etc., worthy home membership, worthy use of leisure time, good citizenship, health, vocations, and ethical character. You will remember that all of these aims have been considered by you during your progress through Marple-Newtown High School.

All too often do we see the adult in after-life utterly forgetting the lessons that he should have gained from certain of these goals.

Try, then, to keep all of these aims before you. Maintain an interest in intellectual matters; be a worthy member of a home; turn your leisure periods to good account; at all times perform your civic duties to the best of your ability; take care of your health; keep studying to improve your skill in your chosen vocation; strive diligently to develop your ability to differentiate between right and wrong.

If you do all of these things, you will have developed into an adult with a well-rounded education, the goal which your training at Marple-Newtown High School intended you to reach.

Your sincere friend,

JAY W. WORRALL.

WE, as Juniors, believe that we have had a most successful year in more ways than one.

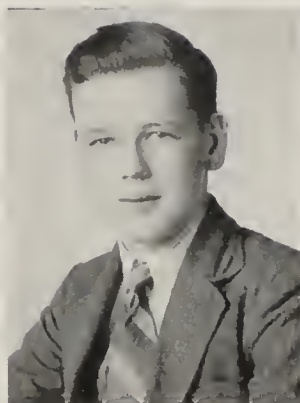

Among other things we have had two magazine drives, a benefit at the Terminal Theater, and the all-important Junior Prom.

Class

THE Sophomore Class of 1940 has had an active year in spite of the fact that we are just Sophomores.

Our most notable achievement was the forming of a committee whose duty was to send Christmas baskets to a needy family.

We also had a splendid system of student government which we enjoyed thoroughly.

Class

THE Freshman Class entered the year 1940 with a record enrollment of fifty-two members. Many were new to the school, but they soon became acquainted with our ways.

If the success of the projects undertaken by our class indicates our worthwhileness, we should have four very happy years.

Eighth Grade

OUR two ventures this year were our Bake which netted over one hundred dollars for the A. A. and our play "The Peddler of Hearts."

1940

Seventh Grade

THE "Freshmen" of the Junior High School got off to a flying start in their new school career. A home-room guidance program was initiated and much profit derived therefrom. The 7B's staged a successful assembly program in the form of an Amateur Hour. Numerous members of the class participated for the first time in organized competitive athletics, others took part in musical organizations, and still others in club work.

With only four lettermen returning from last year's team, the new coach, Mr. Pittman, found a very difficult task awaiting him upon taking up his duties at M-N. On the whole we had a poor season; however, the big game on Thanksgiving Day was really the game that counted, for we upset Springfield, a highly favored team, 6 to 0. This win thus made up for the previous games that we had lost.

M-N looks forward to a good season next year with only four lettermen, Rich, Stroud, Pressey, and Doughten, graduating.

Boys' Basketball

UNDER the guidance of Mr. Pittman, our boys did fairly well in basketball finishing in fourth position in the Suburban League.

Lettermen this year were Captain Rich, F. Chapin, Schneider, Toms, and Doughten.

The Jayvees, under Mr. Strunk's able coaching, had a fairly successful season.

Baseball

THE 1940 season was probably the most successful in Marple-Newtown history. The outstanding pitching ability of "Franny" Talbot and the marvelous fielding and hitting of the entire team proved too much for our opponents. Our boys have won all their league games to date and are undisputed champions of Section Five of the Philadelphia Suburban league. Our championship team lined up as follows: Pitcher, Talbot; catcher, MacLaren; first base, Schneider; second base, David; shortstop, Rich; third base, Dodson; left field, F. Chapin; center field, Dilworth; right field, C. Chapin; substitutes, McAllister, Doughten, Stroud, Farr, and Peel. Mr. Harvey's orange and black "Tigers" did not fare so well in non-league games, losing to Upper Merion and Spring City, but these games provided an excellent opportunity for a much-needed let-down.

Our league scores are as follows:

M-N.....	7	Clifton.....	4
M-N.....	5	Sharon Hill.....	2

M-N.....	8	Clifton.....	3

FAMOUS LAST LINES

I regret that I have but one life to give
for my country.

So, you think you're tough, eh!

It's all right, I can swim.

Mix some of this in it.

This car can do eighty.

I'll try anything once.

Go on, it won't bite.

I'm not that kind of girl.

It's not loaded.

Watch how close I can come.

Try one.

Watch me do a double flip and a fly-
away.

Stop!

Let's see what happens.

The brakes are good.

Sure, I've done it before.

Ann was asked how she liked her new teacher, Miss Williams. “Oh, she’s a good teacher,” she replied, “but she keeps saying ‘Cigarette’ all day.” Her mother was puzzled. One day she went to school. While she and Ann were waiting for the teacher at the door of the schoolroom, they heard her say to the typing class, “Now sit erect.” “There!” she exclaimed, “She said it again.”
